Founded in 1883, Cardiff University is recognized as one of the leading research and teaching universities in the United Kingdom and a member of the Russell Group – the UK’s “Ivy League” of world-class universities. Spend a semester or academic year studying at Cardiff and benefit from learning with professors who are pioneers in their fields. Over 27,000 students have been drawn to Cardiff University, coming from Wales, the rest of the UK and more from around the world.

Cardiff University is located in the center of the capital of Wales, an exciting and diverse city and the heart of Welsh history, culture, street life and politics. There is something for everyone in the Welsh capital, with the excitement of the small city campus located just minutes from the beautiful coastlines, hills, walking trails and green countryside for which Wales is famous.

The city hosts a number of international sport, music and entertainment events throughout the year, and acts as the backdrop to a number of award winning television shows, such as BBC’s Dr. Who and Sherlock. For students who are interested in exploring farther afield, Cardiff is an ideal hub. London is less than two hours away by train, and the city has an international airport that connects you to the rest of Europe. To learn more about Cardiff University, visit www.cardiff.ac.uk.

“Following my time at CU, I am soon to start a job in New Zealand! The hiring manager specifically credited my international experience at Cardiff, they were very impressed.”

Academics: UNH students take courses alongside their British counterparts and other international students, from several different subject areas. UNH students can enroll in a wide range of courses offered at the university.

Housing and Meals: Students are guaranteed housing in student halls of residence, living among British and international students. Payment for housing is made directly to Cardiff University. All rooms are single occupancy, with a shared lounge and kitchen area. While there are no meal plans, students tend to enjoy cooking for themselves, often sharing cooking duties. There are supermarkets nearby all student residences. There are also numerous restaurants and café options on campus and in the nearby city centre.

Extra-Curricular Activities: The University boasts over one hundred clubs, sporting teams, and societies, which all international students are eligible to join. From History to Harry Potter, there’s something for everyone!

Tuition, Fees and Financial Aid: UNH students pay their normal tuition and fees, which is often the most affordable way to study abroad. UNH currently allows federal, state and institutional aid except work-study to transfer for all UNH Study Abroad programs. Because each student’s financial aid package is unique, you will need to work with the UNH Financial Aid Office to learn how your financial aid will apply.

Travel & Insurance: Students purchase their flight independently. Visit the CIE website for information about the UNH Insurance and Travel Assistance Program.

Eligibility: Students need to meet UNH study away eligibility requirements. Visit the study abroad section of the CIE website for details. Students should be in junior standing when participating in the exchange.

Application Deadlines: October 1 for spring semester and March 15 for fall
