UNH Community Events with a Diversity, Equity and Inclusion Focus

Introduction

In an effort to ensure the UNH community is apprised of events centered around diversity, equity and inclusion, the Office of Community, Equity, and Diversity | (unh.edu) provides a monthly calendar to showcase upcoming events. As we continue to work toward an accessible calendar format, OCED is now also offering a text-based calendar guide. Please feel free to share both distributions with your colleagues. The content of each is determined based on the title, description and/or tags provided for each event listed within the UNH Main Calendar | (calendar.unh.edu).

If you would like to subscribe to the monthly distribution, or have any questions or concerns about either distribution, please email:ced.info@unh.edu

March is Women's History Month

Women's History Month | (womenshistorymonth.gov) is celebrated throughout the United States annually during the month of March. The Department of Women's and Gender Studies (WGS) transferred the stewardship of this celebration to The Aulbani J. Beauregard Center for Equity, Justice and Freedom | (unh.edu) in AY24-25 to align with other heritage and awareness months already being organized at UNH by the Beauregard Center.
