

## INVENTION NAME

1. List all the key words and ideas you have for a name for your invention below. You may try to combine words or rearrange them, add other words and try different combinations.

2. List at least 2 ideas you have for your invention name. You may use your ideas from above to help you. Then take a poll (vote) of your classmates. Which name do they like best? Record the number of votes each name gets in the chart below.

Name Idea	Number of Votes

3. Select your favorite name.
