Please note the following service information for “Move-In Weekend”, 2018!

**Friday 8/24**
Reduced Service Connector will operate from 6:40 am – 5:00 pm. It is starting earlier than normal for those that may come in early but park in the outer lots. It will start with the regular route going to the back side of campus but as soon as it becomes congested it will just go up & down Main Street following the West Edge Express route.
