Safety Tips

- Alcohol and drugs are often used to create vulnerability to sexual assault. Studies of sexual assault incidents show a high correlation between acquaintance rape and drug/alcohol usage. Be alert to people pressuring you or others to use alcohol or other drugs.
- Familiarize yourself with the blue phones located across campus in case you need to use one.
- If you feel unsafe on campus, call UNH Police at 603-862-1212 for a safety escort or other assistance.
- Trust your instincts. If you feel uneasy or sense something is wrong, do what you can to get out of the situation or call 911 for assistance.
